

## **UNION SCHOOL SONG**

Union, to thee we sing this loyal song  
May our voices echo as we march along.  
Fervent our emotion, symbol of devotion  
Love for Alma Mater ever strong.

Teachers and students join in harmony  
We'll look back with longing to this company  
True to you forever, spirit failing never  
Greetings on this glorious day.

Disons bonjour, d'un coeur joyeux  
Saluons notre bannière  
Et que toujours nous soyons fiers  
D'être tous à l'Union School  
Avec pour bannière Union School  
Demain nous appartient.

# FAREWELL SONG

Union, to thee we sing our parting song  
May our voices echo as we march along.  
Fervent our emotion, symbol of devotion  
Love for Alma Mater ever strong.

Time moves, and we must all be on our way,  
We'll look back with longing to this happy day.  
True to you forever, spirit failing never,

Farewell on this graduation day.

Disons Adieu, sans une larme  
Ce grand jour des diplômés,  
Et n'oubliez pas Union School  
En suivant votre route.
